## Notes on the Weekly Cycle of Chapel Services

A typical pattern of services has been established to provide regularity and a basis for locating services in the church's various cultural patterns.

**Mondays** Preaching Services using Responsive Prayer 1 and 2

**Tuesdays** Alternating weekly services of Matins and Morning Prayer, often without sermons, aiming to use every element, including the weekly Psalm

**Wednesdays** Various Eucharist settings with texts for the following Sunday, hosted this year by Hope Lutheran Church, St. Louis, Missouri and Randy Asbury (CSL 1990).

**Thursdays** Unique Settings for Daily Prayer such as Baptismal Remembrance, Corporate Confession and Absolution, Taize, Lectio Divina, including Communal Intercessory Prayers

**Fridays** Service of Prayer and Preaching

### **Why does the Liturgical Week begin on Wednesdays in the chapel?**

As a seminary our focus is upon the formation of pastors, deaconesses, and church workers. Since many students are involved in resident field education and congregational life on Sundays transitioning the weekly calendar on Wednesdays assists students in preparing to engage the readings and themes for the coming Sunday in advance and allows us to reflect on those themes and readings in chapel on Mondays and Tuesdays.

### **Submitting Prayer Requests**

Please submit prayer requests for weekly chapel services through Semnet.

The submission form can be found at

<https://semnet.csl.edu/SelfService/csl/resources/CampusLife/Chapel/ChapelPrayerRequest.aspx>. Submitting the request through Semnet insures

that all of the chapel staff are informed of the request and that it is included in the daily chapel services.
