### **In Preparation for Communion**

*To Our Guests:*

*The Lord's Supper is celebrated on our campus in the confession and glad confidence that our Lord, as He says, gives not only bread and wine, but His very body and blood to eat and drink for the forgiveness of sin. In joyful obedience to the clear teaching of our Lord Jesus those are invited to His table who trust His words, repent of all sin, and set aside any refusal to forgive and love as He forgives and loves us. They show forth His death until He comes. Because Holy Communion is a confession of the faith which is confessed at this altar, any who are not yet instructed, in doubt, or who hold a confession differing from that of The Lutheran Church—Missouri Synod and so are unable to receive the Sacrament are invited to meditate on God's Word in the distribution hymns and pray for the day when divisions will have ceased.*      **-Kent J. Burreson, Dean of the Chapel**

### **Notes Regarding Communion**

- The campus Lord's Supper is sponsored and hosted by the Lutheran Church of St. Andrew and Pastor Mark Hricko of Silver Spring, Maryland.
- When receiving the cup to partake of Christ Jesus' blood, please place your hand on the cup in some way to assist the server in guiding it to your mouth. Depending upon how those distributing the cup are holding it, you can either take hold of the cup at the base on the bottom OR on the stem of the chalice OR at the bowl itself on the upper part. By doing so you will assist the server and help to prevent any unwelcome spillage.
- The Reliquary (unconsecrated, additional bread) will be distributed after the service in the narthex if there is sufficient quantity. You are invited to take a piece with you.
- If you would prefer not to drink wine directly from the chalice due to illness or other extenuating circumstances, you may intinct the bread by dipping it into the chalice.
- If you have a gluten allergy or any other special need, please contact Dean of the Chapel Kent Burreson.

### Incense

While the smell of incense for many may not be a prevalent part of modern, western culture, it is nonetheless an act aimed at involving the sense of smell in the worship experience and thus evoking the presence of the entire person before the Father, Son, and Holy Spirit. Incense can symbolically represent quite a number of things including: the presence of God in the midst of His people; the cleansing and purification of the people of God; the uplifting of the prayers of God's people to the heavenly throne; entrance into the heavenly throne room of God; the sacrificial offering of the whole person to God. Let the cloud of incense this day surround the prayer and praise of all God's people gathered into His marvelous, gracious presence.
